

# COMMERCIAL BONDS

License & Permit.  
Court. Public Official.  
Miscellaneous. Fidelity.

## License & Permit Bond:

Guarantees the performance of obligations required by permits, state law, or municipal ordinance; protects the public and governmental entities from financial losses arising from the failure of a contractor to fulfill obligations.

## Court Bond:

Encompasses various bonds required of participants in a lawsuit permitting pursuance of certain remedies in court.

## Public Official Bond:

Guarantees honest, faithful performance of duty by a public official.

## Miscellaneous:

All other commercial surety bonds, which often arise from business transactions and relationships or are required by governmental entities to protect the public.

## Fidelity Bond:

Provides for indemnification for a loss caused by a dishonest act or fraudulent act of an employee covered under the bond.

## Highlights

### ◀ Ease of doing business through eSURETY

- Our system includes a wide array of bonds that can be instantly issued with little to no underwriting.
- Many bonds are pre-executed, allowing you to email bonds directly to your clients. No more printing and mailing!
- Direct bill and agency bill options available.

### ◀ Customer focused and relationship driven

- Your own dedicated underwriter – no call centers to phone into.
- Personalized training. From formal CE classes to personalized in-house agency training and virtual Webex courses, we're happy to help you enhance your knowledge of bonds.

### ◀ Innovative

- Our eSURETY Store allows your clients to purchase bonds, such as notary and ERISA bonds, directly from your agency website, saving time and resources. Ask your underwriter for more details and learn how you can register.
- Digital signature, seal, and notarization options available on many bonds.
- DocuSign is made available on all applications and indemnity agreements.
